This book aims to provide a detailed analysis and overview of the duty of care enquiry, drawing on both academic analyses and judicial experience in leading common law systems. A new structure through which duty problems can be analysed is also proposed. It is hoped that the book provides some fresh insights and clarity of the concept to the reader.

## THE AUTHOR

*James Plunkett* is barrister at the Victorian Bar in Melbourne. He has previously taught law at the University of Oxford and practised at the Bar of England and Wales.
